

We raised over \$14,222 for the two charities: Matheny and Pregnancy Aid & Information Center. Previous high was last year's \$8,710.

BIG thank you to the 135 golfers (also a new high), the volunteers, those who donated money / door prizes and our sponsors.

Golfers

135 golfers is the largest turnout we have ever had. Very proud of all the golfers who came out despite Covid concerns and despite two cancellations. And we could not have asked for a nicer day weather wise. And as expected, the course was in great shape.

The morning of the event, we actually had 144 golfers registered. This is the maximum allowed for Heron Glen. But three cancelled because they contracted Covid (a sign of the times), two were actually never registered (miscommunication by Heron Glen), and four thought it started at 1 PM (miscommunication by me). Of these 9, two would have been playing for free anyway as part of sponsorship deal.

Congratulations to the first place team of Mike Hastings, James Sannella, Bryan Clarke and Tom Hare. They shot -11

Second place was our very own Tom Faenza, his son Greg, Jon Severson and Hayes MacArthur at -10.

Volunteers

Thank you to our volunteers: Rose Newsom, Ellen Cox, Scott Morrissey, Chuck Elbert, Anthony Fusco, Peggy Commerton, Noel Faenza, Tom Lippai, Bob Skorny and Mike Cebo (event photographer). Check out Mike's photos at

A lot of action shots and he captures the beauty of the course.

Thank you to Chuck Elbert, Steve Minarovich, George Cox, Steve McCarthy and myself for donating door prizes.

Congratulations to Tom Lippai on winning the 50/50 and donating a portion back.

And kudos to Tom Lippai & Bob Skorny for working their charm on hole 12: a record-setting year in terms of funds raised at the Pot-of-Gold event. The winner of that event was Gene Pryor who also donated a portion of his winning back

Sponsors

Thank you to Bob Stutz, Tom Lippai, Jim McDonough, Ken Genco, Pat Kelly, Bruce Van Arsdale, Jim Hannan, Jim Trenchard, Giulio Capra, and myself for either sponsoring a hole or bringing in sponsors.

Special thanks to OnTarget Staffing LLC as the presenting sponsor. The \$5,000 donated by our Presenting Sponsor was the difference maker. Not only for our bottom line, but they paid us early and then agreed to allowing us to get PPEs and funds to Matheny in advance of the outing...back in the Spring when Matheny needed our help the most. Note: Of the money we collected for this event, \$2500 has already been donated to Matheny.

Additional thanks to Heron Glen and their staff. Although there were a few issues, including only having one beverage cart, they did a good job considering the circumstances. They have a beautiful facility and course.

And thanks to the Golf Committee. In particular to Ron Newsom for his guidance and our liaison to Heron Glen. And to Bob Stutz who laid the blue print for how to run a golf outing.

Next steps: Finalize numbers with our Treasurer. Coordinate with our Grand Knight and Officers and the charities when we can present the checks. I'll also extend an invitation to our Presenting Sponsor. If any other Knights or Sponsors are interested we can coordinate. It will likely be a brief presentation as there will likely not be any tours this year.
